Postshow Report 2026

About Exhibition

A Transformational Step Towards Modern Indian Agriculture

The Rashtriya Krishi Uday Expo 2026 marked a remarkable milestone in India's journey towards agricultural modernization. Successfully organized from 22nd to 24th March 2026 with the association of Central Farm Machinery Training & Testing Institute (CFMTTI), Budni, Madhya Pradesh at their campus. The expo emerged as a powerful platform uniting innovation, policy, and grassroots farming realities.

Conceptualized with a vision to empower farmers, accelerate mechanization, and promote sustainable agricultural practices, the event brought together the entire agricultural ecosystem under one roof. From progressive farmers to policy-makers, from agri-scientists to industry leaders — the expo became a vibrant hub of knowledge exchange and technological advancement.

The primary objective of the expo was to create a dynamic interface between farmers, agricultural scientists, industry leaders, government departments, and agri-entrepreneurs. The exhibition focused on promoting modern farm machinery, advanced irrigation systems, soil health management, sustainable farming practices, and government schemes aimed at enhancing agricultural productivity and farmer income.

The expo witnessed active participation from farmers, dealers, distributors, startups, and institutional representatives. It served as a knowledge-driven platform for showcasing innovations, exchanging ideas, and building long-term collaborations within the agricultural ecosystem.

Event Ceremony

Opening Ceremony

The Rashtriya Krishi Uday Expo 2026 was formally inaugurated by **Sh. Shivraj Singh Chouhan Ji**, Hon'ble Minister of Agriculture & Rural Development, Government of India.

The inauguration ceremony commenced with the traditional lamp-lighting, followed by an extensive walkthrough of the exhibition. The Hon'ble Minister interacted with exhibitors, farmers, and institutional participants, appreciating the wide range of agricultural technologies and solutions showcased at the expo. He also acknowledged the efforts of the organizers in creating a national-level platform that directly benefits farmers and stakeholder.

Visits & Closing Ceremony

On the second day, the exhibition was graced by Sh. Ramakant Bhargav Ji, Hon'ble MLA, Budni Vidhansabha, along with Sh. Arjun Malviya Ji, Nagar Adhyaksh, Budni Nagar, in the presence of Dr. B. M. Nandede Ji, Director, CFMTTI, Budni.

The dignitaries visited the exhibition stalls, interacted with participants, and appreciated the initiative for bringing together farmers, industries, and government institutions under one platform. They emphasized the importance of such exhibitions in promoting agricultural awareness, mechanization, and regional development.

The Closing Ceremony on 25th March 2026 was conducted by Sh. Arjun Malviya Ji, Nagar Adhyaksh, Budni Nagar, along with Dr. B. M. Nandede Ji, Director, CFMTTI, Budni.

During the valedictory session, all participating exhibitors were felicitated with Awards of Honor in recognition of their valuable contribution to the success of the event. The ceremony marked the successful culmination of four impactful days of exhibitions, knowledge exchange, and networking.

Ceremony Glimpses

WHY RASHTRIYA KRISHI UDAY EXPO 2026?

Driving Awareness, Innovation & Farmer Engagement

More than just an exhibition, Rashtriya Krishi Uday Expo 2026 served as an interactive learning environment where farmers could directly engage with manufacturers, experts, and policymakers.

Live demonstrations of modern agricultural machinery, practical showcases of advanced farming techniques, and on-ground consultations created a deeply impactful experience. Farmers were not just spectators — they were active participants in understanding how technology can transform their livelihoods.

The event successfully bridged the gap between innovation and implementation, ensuring that modern agricultural solutions are not just displayed but truly understood and adopted.

A Resounding Success with Lasting Impact

The overwhelming response from farmers, industry stakeholders, and government bodies reflects the immense relevance and success of the expo.

It has significantly contributed to:

- » Accelerating farm mechanization
- » Enhancing awareness of government initiatives
- » Encouraging adoption of advanced agricultural technologies
- » Strengthening collaboration between industry and institutions

Most importantly, it has reinforced confidence among farmers towards embracing a modern, efficient, and future-ready approach to agriculture.

A Vision for the Future

With strong backing from government leadership and enthusiastic participation from all stakeholders, the future of Rashtriya Krishi Uday Expo is exceptionally promising.

The vision ahead is clear — to expand this platform into one of India's largest and most influential agricultural exhibitions, attracting wider participation, global technologies, and deeper farmer engagement.

Driven by purpose and supported by leadership, this expo is not just an event — it is a growing movement dedicated to the transformation of Indian agriculture.

VISITOR PROFILE

One of the most remarkable highlights of Rashtriya Krishi Uday Expo 2026 was the massive participation from the farming community and allied sectors.

The diverse visitor profile included:

- » Progressive Farmers from across Madhya Pradesh and nearby states
- » Agri-Entrepreneurs & Startups
- » Dealers & Distributors of Agricultural Machinery
- » Government Officials & Policy Representatives
- » Agricultural Scientists & Agriculture Experts
- » Students and Researchers from Agricultural Institutions

This diverse participation transformed the expo into a dynamic platform of learning, networking, and real-time business opportunities, ensuring value for every stakeholder present.

Exhibitor Review

Birla Tyres

The overall experience at Rashtriya Krishi Uday Expo was very positive for us. We received good response from farmers and dealers throughout the event. The arrangements and visitor quality were quite satisfactory. Looking forward to participating again.

Oswal Pumps Ltd.

It was a well-organized exhibition with relevant footfall from the agriculture sector. We had meaningful interactions and generated good inquiries during the three days. The support from the organizing team was also appreciated.

Mahindra

We are happy to be part of this expo at Budni. The platform provided good visibility and direct engagement with our target audience. The event was managed professionally and delivered value to participants.

Sonalika Tractors

The expo created a good opportunity to connect with farmers from nearby regions. We found the response encouraging and the overall environment very supportive. It was a productive experience for our team.

Swaraj

Participation in this exhibition helped us strengthen our presence in the region. The crowd was relevant and genuinely interested in agricultural solutions. We appreciate the efforts put in by the organizers.

HD Wire

It was a decent platform to showcase our products to the right audience. We received genuine inquiries and had good networking opportunities. The arrangements were smooth and well-coordinated.

Captain Tractor

We had a good experience exhibiting at Rashtriya Krishi Uday Expo. The footfall was steady and farmers showed keen interest in our products. Overall, it was a worthwhile participation.

Shaktiman

The event was well executed and gave us a chance to interact directly with end users. We are satisfied with the response and the exposure we received. Looking forward to future editions.

New Holland

We appreciate the efforts of the organizing team in bringing together the agri ecosystem. The expo helped us engage with farmers and partners effectively. It was a fruitful participation for us.
